

**Title in lower case bold characters, 11 points (Times New Roman). Center the paragraph. No abbreviation or acronyms in the title**

**Name Surname<sup>1</sup>, Name Surname<sup>2</sup>, Name Surname<sup>3</sup>, Name Surname<sup>4</sup>**

<sup>1</sup>PEPITE EA 4267, Laboratoire de Pharmacognosie, UFR des Sciences de Santé – Université de Bourgogne-Franche-Comté – BP 87900, 21079 Dijon cedex, France

<sup>2</sup>Department of Biology, Thainguyen University of Education, Thainguyen University, – 24000 Thainguyen, Vietnam

<sup>3</sup>Department of Pharmaceutical Technology, PAM UMR A 02.102, PCAV team – Université de Bourgogne-Franche-Comté – BP 87900, 21079 Dijon cedex, France

<sup>4</sup>Department of Chemistry “Ugo Schiff”, University of Florence – 50019 Sesto Fiorentino, Italy

For authors' list use Times New Roman at a font size of 8 points. For addresses use Times New Roman at a font size of 7 points. Bold characters for authors' names but do not cap. Plain characters for addresses. The name of the presenting author should be underlined. Do not right justify addresses. Single spacing should be used for authors' list and addresses.

Use 2.5 cm margins all around. Use the A4 standard paper size (21 x 29.7 cm). Paragraph one starts without an indent after a 12pt space from the addresses, and each paragraph is fully (left/right) justified. Any additional paragraphs start with a 6pt space from the previous paragraph. Normal line spacing should be used.

The entire abstract must fit between 150 and 300 words.

Abstracts have to be submitted electronically as MS Word (.doc or .docx) file and also with PDF Format via the online abstract submission system.

The file with the abstract should be named with the Surname of the presenting author (e.g. Surname\_abstract.docx). Between 3 and 8 keywords along with indication for preferred oral or poster presentation should be added at the end of the abstract.

Keywords:

Preferred format: Oral/Poster
